

Protect Your Vehicle Investment

Theft Protection

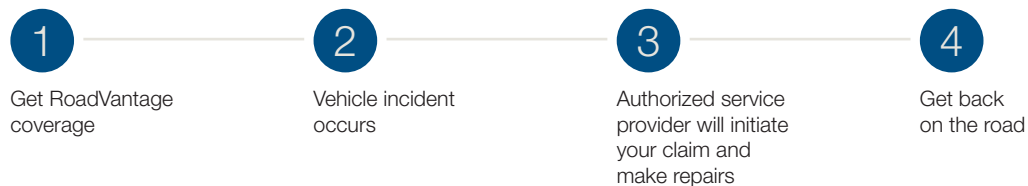

\$25,000 Vehicle Replacement Benefit Payment

Theft Protection is Recommended by Major Insurance Companies

Having your vehicle and the property in it stolen would be a huge inconvenience and cause major interruptions in your life. This anti-theft program can help you avoid the consequences of theft and offers you a benefit payment in the event your vehicle is stolen. Purchasing this anti-theft program provides you with the pinnacle of vehicle-theft protection.

How it works

Theft Protection

Anti-theft Program

If the anti-theft system fails, and your vehicle is stolen and not recovered, or recovered and declared a total loss, this anti-theft program provides a vehicle replacement benefit of up to \$25,000.

Benefits

- ✓ Up to \$25,000 to replace your stolen vehicle.
- ✓ Up to a \$1,000 Travel Allowance for meals and lodging if your vehicle is stolen while your traveling more that 200 miles from home.
- ✓ Up to \$1,000 Airfare Allowance to return home if your vehicle is stolen while your traveling more that 200 miles from home.
- ✓ Up to \$500 rental car expenses in excess of what is not covered by your insurance.

Exclusions

- Vehicles stolen when unlocked or with the keys inside.
- Vehicles stolen by family members or other people with access to the vehicle's keys.
- Does not apply to vehicles stolen outside of the U.S.
- Failure to have comprehensive insurance coverage will void the claim.
- The Vehicle Anti-Theft System Limited Warranty is non-cancellable and non-refundable.

Average Loss

On average, every
39 seconds
a vehicle is stolen
